- expensive
- comfortable
- practical
- simple
- beautiful

1 The original of these were a type of sandal worn in ancient Egypt. But the modern version originated in Japan. They aren't _____¹ so you don't need a lot of money if you want to buy a pair. Adults and children can wear them indoors or outdoors and they feel very _____², but don't try running in them!

Photo: _____

2 This item was designed and made Britain in 1932. At first, it was _____¹ because the shape was new and strange. But since then it has become _____² all over the world with students, artists, people who work in offices and anybody who needs a good light to see what they're doing. It's _____³ because you can put it in almost any position.

Photo: _____

3 It's a _____¹ design that everyone recognises and the shape was first used for the clocks on railway stations in Switzerland. It's a _____² round shape and this is the reason for its success.

Photo: _____

4 This is made of metal and you can put candles inside it. Its straight lines and curves, and the _____¹, intricate metalwork, make it an _____² object in any home.
