SO, WHAT ARE **YOU** GOING TO DO WITH THEM?

What's your answer to this question? Perhaps it's 'I don't know' or 'Not a lot'?

In her new book, *What the most successful people do on the weekend*, Laura Vanderkam says these are bad answers. She says the weekend is a time to relax, but also a time to do interesting things. With only 4,000 weekends in our life, each one is important. So don't just sit on the sofa and watch TV. It's a good idea to plan the weekend – then you can use the time well. Here are some of her ideas:

- 1 Plan three to five activities to do at the weekend and write them down. Be sure you do these things.
- 2 Plan to read a book. Buy a book for the weekend and then plan a time to read it.
- 3 Write a list of 100 'big' things you'd like to do in your life. Choose one to do this weekend.
- 4 Get up early. Between 6:00 and 8:00 in the morning is the best time to do things. Plan to wake up early and do something before breakfast!
- 5 Turn off your phone and don't use your computer. You can read your emails on Monday. On Sunday evening, go for a run, play some music or do yoga, so you relax and don't think about work.
- 6 Don't clean your house or flat at the weekend. It's a time to do things you like!
