

UNIT 3 - WRITING – TEACHER’S HANDOUT – ĐIỆN TỬ 4

Use the suggested words to write full sentences. Then choose the correct answer.

1. Electrical tape/ be/ make/ of/ plastic/ use to/ insulate/ electrical/ wires.

- A. Electrical tape is made of plastic and used to insulating electrical wires.
- B. Electrical tape is made of plastic and used for insulate electrical wires.
- C. Electrical tape is made of plastic and used to insulate electrical wires.
- D. Electrical tape is made of plastic and use to insulate electrical wires.

2. Wire strippers/ use for/ cut/ remove/ insulation/ from/ wires.

- A. Wire strippers are used for cutting and removing insulation from wires.
- B. Wire strippers is used for cutting and removing insulation from wires.
- C. Wire strippers are used for cutting and remove insulation from wires.
- D. Wire strippers are used for to cut and remove insulation from wires.

3. You/ can/ use/ diagonal cutters/ cut/ copper/ wires.

- A. You can use diagonal cutters cut copper wires.
- B. You can using diagonal cutters to cut copper wires.
- C. You can use diagonal cutters to cutting copper wires.
- D. You can use diagonal cutters to cut copper wires.

4. I/ need/ allen wrench/ loosen/ screws/ electrical panel.

- A. I am needing an allen wrench to loosen screws of electrical panel.
- B. I am needed an allen wrench to loosen screws of electrical panel.
- C. I need an allen wrench to loosen screws of electrical panel.
- D. I need an allen wrench to loosening screws of electrical panel.

5. My/ hex wrench/ be/ make/ of/ metal/ have/ hexagonal/ good/ head.

- A. My hex wrench is made of metal and has a hexagonal good head.
- B. My hex wrench is made of metal and has a good hexagonal head.

- C. My hex wrench is made of metal and having a good hexagonal head.
- D. My hex wrench is made of metal and had a hexagonal good head.

6. I/ use/ my/ magnifier/ for/ see/ tiny components/ the mainboard.

- A. I use my magnifier for seeing tiny components on the mainboard.
- B. I use my magnifier for see tiny components on the mainboard.
- C. I use my magnifier for to seeing tiny components on the mainboard.
- D. I use my magnifier for seen tiny components in the mainboard.

7. These/ electrical/ tapes/ be/ use/ for/ insulate/ wires.

- A. These electrical tapes are used for insulated wires.
- B. These electrical tapes are used for to insulate wires.
- C. These electrical tapes is used for insulating wires.
- D. These electrical tapes are used for insulating wires.

8. What/ be / the function/ this torch/ ? It/ be / use / for/ provide/ light.

- B. What are the function of this torch? It is used for providing light.
- C. What is the function of this torch? It is used for provide light.
- A. What is the function of this torch? It is used for providing light.
- D. What is the function of this torch? It is used for to provide light.

9. A spanner/ can / be / use/ to / hold/ and / turn / nuts and bolts.

- A. A spanner can be used to hold and turning nuts and bolts.
- B. A spanner can be used to hold and turn nuts and bolts.
- C. A spanner can be used to holding and turn nuts and bolts.
- D. A spanner can be used holding and turn nuts and bolts.

10. Allen wrench / be / a tool / that / be / use / for / turn / hexagonal slotted-head bolts.

- A. Allen wrench is a tool that is used for turning hexagonal slotted-head bolts.
- B. Allen wrench is a tool that is used for to turn hexagonal slotted-head bolts.

- C. Allen wrench are a tool that is used for turning hexagonal slotted-head bolts.
- D. Allen wrench is a tool that used for turning hexagonal slotted-head bolts.
