

Name:

## Creating a budget

A Arrange the steps in the correct order

- 1.
- 2.
- 3.
- 4.

Add up all the Costs to get your Total Cost

Decide what your Sales Revenue will be

Subtract your Total Costs from your Sales Revenue to get your Profit

Decide what you think your Costs will be

B) How do we find the Profit?

$$\boxed{\phantom{000}} - \boxed{\phantom{000}} = \boxed{\phantom{000}}$$
