

If

you need money,
you don't pass the exam,
you want to go to the festival,
I don't see you tomorrow,
you want to drive a car,
you want to feel better,
you want to be respected,

+

you should take some driving lessons.
you should take all your medicine.
you may need to get a job.
I will phone you.
you should treat others with respect as well
you will have to try again.
you may have to wear your traditional clothes.
