Read and listen

I. Read and listen the conversation between Kate and Alison.

Kate Hey, Alison! Help me make a list for my trip.
Alison Sure. So you're going to fly to Paris, right?
Kate Yes, I booked the flight last week. I'm going to check in and print my boarding pass tomorrow.
Alison OK. Write down BOARDING PASS. What else? Are you going to exchange money before you go?
Kate No, I don't think so. I'm going to do that at the airport. And I'm going to take my credit card with me, of course. So, CREDIT CARD.
Alison OK. Are you going to call for a taxi to get to the airport?
Kate That's a good idea. TAXI.

Alison Also, before you pack your clothes, check the weather in Paris on the Net.
Kate Of course. WEATHER.
Alison Now, write down the word PASSPORT.
Kate Come on, I'm not going to forget that.
Alison Just write it down. I forgot it once, and it was a nightmare.
Kate Maybe you're right.
