Hi! My name is Alex. I am nine years old and I live in London. My mum's name is Anna and she is a teacher. My Dad's name is John and he is a farmer. He feeds the animals every day and I help him wash the dogs and the pigs! I have got a brother and two sisters.

We live in a big house. There is a kitchen, living room and dining room and there are three bedrooms and a bathroom. My bedroom is red and white. The garden is beautiful. There are a lot of flowers.

I love my house and my family!
