Hello! This is me and my family.

This is my mother. She's the 1._____. She works and earns money for the family. You could also say that she brings home the bacon.

My grandma was quite rich or 2._____ when she was younger. Her business was a 3._____ so she used to have 4._____. She had more 5._____ so she usually threw money around. Unfortunately, she made a bad investment and ended up 6._____ and a bit 7._____. Now, she lives on a 8._____ and expects my mother to 9._____ her money or 10._____. My mother is not happy about this situation because she wants to 11._____ some money for a rainy day. Besides, she's not 12. _____ and finds it quite hard to 13._____ if she has to support everyone in the family.

My sister, on the other hand, doesn't believe in putting some money aside for emergencies. She rather believes in 14._____ -This means that she buys things to feel happy. She's a 15._____ who cannot stop buying things. She is really bad at managing money and she often throws money 16._____ as her grandma did.

As far as I'm concerned, I'm not 17._____ but I'd like to travel after finishing school and breaking the 18._____ won't solve my problems. That's why I need to 19._____ some money. Like it or not, money makes 20._____. Most things are difficult to do without money.
