

Read the following conversation.

Tim: Hi, Andy! I haven't seen you a while. You look upset. Is there something wrong?

Andy: Oh, don't ask.

Tim: Why? Tell me what's wrong!

Andy: Well, you know that Alice and I go back a long way. The other day I popped the question and now she's giving me the cold shoulder. She won't answer my calls or reply my messages.

Tim: Oh, I am so sorry to hear that. You two have always seemed head over heels in love. Maybe she's not ready to tie the knot?

Andy: I don't know. But I know she's the apple of my eye and I don't want to lose her.

Tim: Ok, then give her some time. I'm sure you will work it out.

Andy: Sorry, I don't even ask about you.. How's life?

Tim: Well, pretty amazing. I went on a blind date a month ago and it seems our paths have crossed.

Andy: Are you two an item?

Tim: Yes, and I'm on cloud nine!

Andy: I'm glad to hear that!

Try to find the following expressions:
