People that work at My School

The staff of schools plays an important role in the lives of students. Examples of school staff and their role in the school are:

- **Principal:** The principal is the school leader. He / She sets school policies and works with teachers, parents and students to provide an excellent learning environment for all.
- **Teacher:** Your teachers are there to help you when you have questions, and support you in your academic learning and your school experience.
- **School Bus Driver:** the bus driver transport students to and from home.

- PTA Leaders Your PTA leaders are at the forefront of changing policies, improving schools and taking action to give a voice to every child, including yours.
