Let's play!

You are a fortune teller. It's time to make predictions about the future in our country and in the world…

1. Complete the predictions using WILL or WON'T:

For example: Argentina _____ ***(not have)*** another economic crisis in the future.

Argentina ***won't have*** another economic crisis in the future.

a. People _____ (recycle) a lot of plastic in our country in the future.

b. There _____ (be) a good president in ten years.

c. Argentinians _____ (live) in the countryside in one hundred years.

d. In the future, most Argentinian cities _____ (change) their names…

e. In fifty years' time, children in Argentina _____ (study) from home.

f. Sports in Argentina _____ (be) different and more dangerous in the future…

g. People _____ (not have) robots working at home in ten years.

h. Some cars _____ (fly) in Argentina in about seventy years.

GREAT JOB!
