----	--

2. Read and tick the correct option.

Tonia is from the U.S. She's a teacher and she works at a school. She gets up at half past five. She takes a shower and has breakfast with her family. She goes to school at seven o'clock. In the morning, she teaches English, math and science. She has lunch with the students at a quarter to one.

In the afternoon, she teaches IT and history. When she goes home, she helps her kids with their homework and she makes dinner. Then they all play games and read. After that, Tonia does her homework! She corrects her students' tests and plans her classes. Finally, she goes to bed at 11 o'clock.

true false
