#### MY PROJECT

I have finished a project in social studies class.

I wrote an essay about the president of my country.

I did some work before I wrote it. First, I studied the topic.

Then, I wrote down some questions about things I wanted to know about. I wanted to know the president's age, favorite food, and other things.

After that, I searched the internet for the answers. Next, I made a plan for how to write the beginning, middle and end of the essay. Finally I wrote the essay. I hope to get a good grade on it.
