Mark /10

Reading

- 7 Read the text.

Extinction

This programme looks at several animals close to extinction and questions why they are now in danger. We are taken to the habitats of these different animals and shown why their survival is threatened.

Changing skies

In this excellent series we look at how the changing weather patterns in different continents is affecting the way the people live and how they have to adapt.

Natural power

This is an award-winning documentary that traces man's efforts over the centuries to use natural energy resources such as wind and wave power. We look at the first windmills and watermills in several regions.

A day in the life

This unusual programme compares the lives of villagers in a third world country with villagers in the UK and studies how they both deal with environmental issues.

Drive me

A special programme which reveals the range of options available to people who wish to purchase cars that are kinder to the environment.

- 8 Complete the sentences with the correct programme title.

- In _____ we can learn historical facts.
- In _____ we can find out about how to buy something in an environmentally-friendly way.
