

# Transformation of energy - By Puan Nor Syuhada

Write the correct answer of transformation of energy for the pictures below. Possible answers given at the right side. You can use it more than once

Potential energy

Chemical energy

kinetic energy

light energy

sound energy

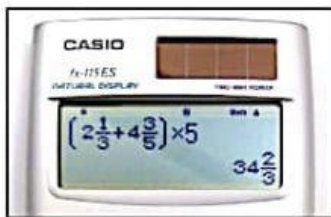

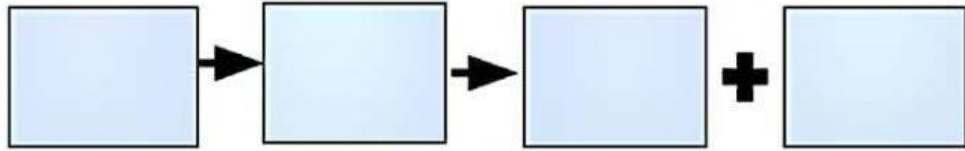

heat energy

Electrical energy

# Transformation of energy - By Puan Nor Syuhada

Write the correct answer of transformation of energy for the pictures below. Possible answers given at the right side. You can use it more than once

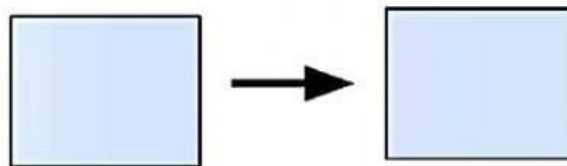

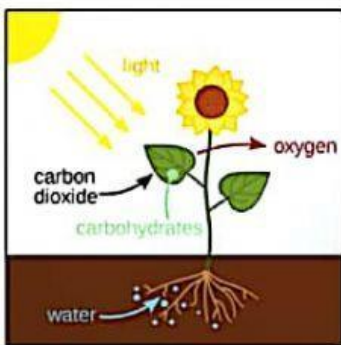

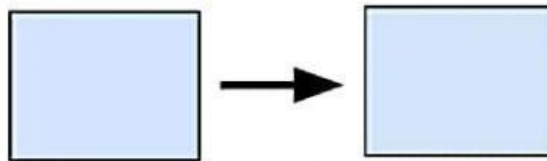

Chemical energy

kinetic energy

light energy

sound energy

heat energy

Electrical energy

Solar energy

Potential energy
