

# BABY – Justin Bieber

Oh whoa

Oh whoa

Oh whoa

You know you love me, I know you care  
Just shout whenever and I'll be

You are my          you are my heart  
And we will never, ever, ever be apart

Are we an item? Girl, quit playing  
We're just          what are you saying?

Said, "There's another" and look right in my  
My first love broke my          for the first time and

I was like

, baby, baby, oh

Like baby, baby, baby, no

Like baby, baby, baby, oh

Thought you'd          be mine, mine (x2)

Oh, for you I would have done whatever  
And I just can't          we ain't together  
And I wanna play it          but I'm losin' you  
I'll buy you anything, I'll buy you any
