Vote Now

Voting helps kids learn how to be independent and think for themselves. It also gives them the power to share how they feel. Kids Voting USA wants kids to vote now. There's a good reason. They estimate that when these kids grow up, more of them will vote.

In about ten years, kids your age will be old enough to vote. You will have the power to help elect great leaders and make new laws. Isn't that exciting?

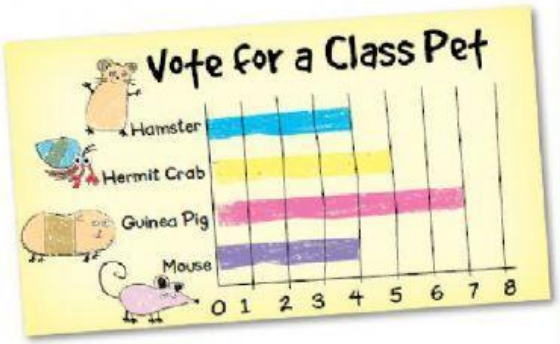

Elections are held in many schools to teach kids how to vote.
