Complete the story with the correct form of the verb in past (simple past, past continuous, past perfect and past perfect continuous)

It was Sunday afternoon. I (watch) a cookery program on TV when I (realize) how hungry I was. But of course I was hungry; I (eat) anything since lunch, and I (run) a race for 2 hours in the morning. "Biscuits!" I (think) my mother (give) me a jar of delicious home-made biscuits. I (go) into the kitchen, (open) the fridge and (pour) some milk in a big glass. Then I (look) for the kitchen chair but it (be) there, somebody (take) it away, and there were no biscuits in the biscuit jar: somebody (devour) them all! I was sure I (leave) the jar there the previous day, and I (have) only one cookie. It was very strange.

A few minutes later, I (drink) my glass of milk when I (hear) a loud noise coming from the dining room. I (rush) there and I (see) something. I couldn't believe my eyes. An enormous monkey (eat) the biscuits excitedly on the kitchen chair.
