(Deadline 15 May 9 a.m.)

(37p)

- 1. Prepositions.** Fill the gaps with any of the following words: *in, on, at, by, with, across, for, of, to, up, to.*

The Sad, Then Hopeful, But Eventually Still Very Sad Story of Todd

(18 points)

When Todd was still a little boy, people knew he wouldn't amount _____ much. He had no interests, wasn't keen _____ anything, succeeded _____ nothing. Now, imagine! He is _____ his thirties. He had nearly graduated _____ business studies but then made _____ his mind to spend the rest of his life working _____ his buddy Steve who was a failure _____ life as well but had somehow managed to set _____ his own company of miniature shelves called SMS, short _____ Steve's Miniature Shelves. However, ever since Todd had entered the picture, the company was _____ its lowest point yet. It turned out Steve was giving out discounts _____ some miniature shelves for his other buddies, had them pay _____ cheque and then carelessly lost the cheques while lollygagging around the miniature shelf factory. When Steve accused Todd _____ all these shenanigans, Todd stared at him _____ great confusion for 5 minutes straight. No-one had ever been angry _____ him. Let alone his best buddy Steve. Todd decided there and then to change his ways but _____ his overflowing excitement for a new chance in life, he stumbled _____ a miniature shelf and died.

- 2. Complete the second sentence so that it means the same as the first one. You have to use the word given in capital letters and bold but you cannot change it. You have to use between two and five words in total.**
