

## Sky News Video - Brazil: mudslides in Petropolis

- Fill in the gaps. Use **only one** word in each gap.

On a mountain of mud and \_\_\_\_\_ they search, in the \_\_\_\_\_ hope of finding anyone who survived this. More often than \_\_\_\_\_ they're finding those who didn't.

And the city of Petropolis is \_\_\_\_\_ mourning for the dozens killed in what was a \_\_\_\_\_ mudslide

Rosilene said she could hear her brother yelling for help

*(woman speaking Portuguese)*

It was a \_\_\_\_\_. A month's \_\_\_\_\_ of rain falling in just three hours; water rushing down through the streets of this famous old city and \_\_\_\_\_ an avalanche of mud that \_\_\_\_\_ through the neighbourhoods that have \_\_\_\_\_ up its hillsides.

The governor here says it resembles a war zone and rescue workers haven't yet been able to reach some streets, such is the extent of the mudflow.

*(governor Castro speaking Portuguese)*

The removal of one lucky survivor interrupting him.

Even as the rescue \_\_\_\_\_ continues, the \_\_\_\_\_ has begun for many.

Brazil's president is in Moscow visiting Vladimir Putin. He sent his prayers to the people of Petropolis.

It is a city that's seen catastrophes like this in the past and has even drawn \_\_\_\_\_ a plan to reduce the risk of landslides, but it's been \_\_\_\_\_ progress \_\_\_\_\_ out the work and it will come too late for many.
