Dear Tim,

Thank you for your letter. It's very interesting to know about American students' activities after school hours.

I think we take part in different after-school activities, too. Some students stay at school and play sports. They usually play soccer or table tennis. Sometimes they go swimming.

Some students like music and drama. They often practice playing the guitar or the violin in the school orchestra.

I'm a member of the stamp collector's club. I have lots of American stamps because I often get letters from pen pal friends like you.

We are going to have our Tet holidays soon. Tet is our most important holiday. Summer vacation is our longest holiday. Please write and tell me about your vacation.
