GRAMMAR - Verb Tenses

Instructions: The verbs in the following sentences are underlined. Read each sentence. Then write the tense (past, present, future) of each verb on the line.

*Remember to spell your answers correctly to receive full points.

The **tense** of a verb shows the time of the action. The **present tense** shows action that is happening now. The **past tense** shows action that happened in the past. The **future tense** shows action that will happen in the future.
