

EVALUATING INFORMATION

| | | |
|--------------------------------------------------------------------------------------------|--------------------------------------|----------------------------------------------------------------------|
| Who is telling the story? | Who is the intended audience? | Could different people or groups have a different view of the story? |
| | | |
| | | |
| | | |
| | | |
| Who made/published the story? | Why did they make/publish the story? | What is the main purpose of the story? |
| | | |
| | | |
| | | |
| | | |
| How can you tell if the information is credible? What is the evidence or lack of evidence? | | |
| | | |
| | | |
| | | |
| | | |
