Hey Tim,

I'm so glad that I <sup>1</sup> went to summer camp.

At first, I didn't want to be away from home this summer, but I'm having a great time. There are a lot of cool activities here. Last week, we

<sup>2</sup> \_\_\_\_\_ in the lake. We took two boats so that everyone at camp could go. We also

<sup>3</sup> \_\_\_\_\_ on the Red River. It was very fast! I

<sup>4</sup> \_\_\_\_\_, too. I had to wear a helmet and use ropes to get to the top of the mountain!

On Saturday, we <sup>5</sup> \_\_\_\_\_.

My bag was really heavy because I brought a lot of water and food for the hike. On Sunday, we

<sup>6</sup> \_\_\_\_\_ on some trails. I was glad that I brought my bike to camp, so I didn't have to rent one.

Yesterday was the best! We <sup>7</sup> \_\_\_\_\_. It was amazing! We were so high up in the sky.

I can't believe that you <sup>8</sup> \_\_\_\_\_. Did you see any elephants, lions, or giraffes? Write soon and tell me all about your trip.

Your friend,

Javier
