Nadim's holiday

Complete the story with past tense of the verbs.

We (go) on a skiing holiday with the school this year, but I (not have) a good time, because I (have) an accident. I (ski) on the first day, but in the afternoon I (fall over) and (hurt) my knee. Luckily, I (not break) my leg, but it was very painful. After that I (not can) ski any more. In fact, I (not go) out for the next five days. All my friends (go) skiing every day, but I just (stay) in the hotel. I (watch) TV, (play) computer games and (read) the magazines all day. It (be) very boring. But I want to go skiing next year.
