## SOMEBODY I USED TO KNOW

**By Gotye**

Now and then I think of _____

Like when you said_____

Told myself that you were right for me

But felt so lonely in your company

But that was love and _____

You can get addicted to a certain kind of sadness

Like resignation to the end

Always the end

So when we found that _____

Well you said that we would still be friends

But _____ that it was over

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And _____

You didn't have to stoop so low

Have your friends collect your records

we could not make sense

I'll admit that I was glad

you felt so happy you could die

When we were together

it's an ache I still remember

that feels so rough

And then change your number

I guess that I don't need that though

you hung up on somebody

Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over

But had me believing it was _____

And I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch _____ that you used to

know...

But you didn't have to cut me off

Make out like it never happened

I don't need that though

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

always something that I'd done

I guess that _____

Now you're just somebody that I used to know

Somebody

I used to know

LIVEWORKSHEETS

Somebody

Now you're just somebody that I used to know

Somebody

I used to know

Somebody

That I used to know

Now you're just somebody that I used to know

I used to know

_____

I used to know

Somebody...
