

My Work Placement Report

1. Information about my garage

I went on my first work placement last

It lastedweeks.

Iin a garage in Bristol. The of the garage is Black Bear Auto.

There are eight, two, a and James Brown, the

2. The premisses

There is a and a There is the boss's office and a

There are changing rooms.

My workshop was, and quiet.

3. My working hours

I started work at:00am and finished at:00pm every day. I had an hour's break for lunch.

I worked from to was my day off.

I often worked with my supervisor. His name is Ted Elliott.

4. My work and the equipment I used

I've learned the name of new, for example a ratchet handle, a spark plug spanner.

I did, repairs. I also the vehicles and the garage.

5. Opinion about the placement

I enjoyed this placement because I new things and the employees were very kind

but I think I didn't have enough and some of the days were
