THE CAUSES FLOODS

A central blue speech bubble contains the text 'THE EFFECTS OF FLOODS'. Four arrows point from this central bubble to four separate colored rectangular boxes: pink (top-left), yellow (top-right), green (bottom-left), and orange (bottom-right). Each box has a small blue tab on its top-right corner, suggesting it's a sticky note. The boxes are currently empty, intended for students to write the effects of floods.
