Reading Comprehension: Infers

I. Read and guess. Match the concept to its definition

1. It is used to see at night. It is powered by batteries. It is formed by a reflector, a transparent cover, which is usually combined with a lens:
swing
2. It is a sport. It is played by two teams of five players. A ball is thrown into an open net hanging from a metal ring:
basketball
3. It is played by children who throw a stone onto a set of squares. Those squares are drawn on the ground in advance. Kids jump on one leg and then in two legs each square to get the stone:
match
4. It is a two-wheeled vehicle that you sit on. The wheels are moved by turning the two pedals:
hopscotch
5. It is a game. A seat is joined by two ropes or chains to a meal bar or tree. It is moved backwards and forwards if someone pushes it:
torch
6. A spot competition or event where two people or teams are joined to compete against each other:
chess
7. A large bag that is used to carry things on your back. It is usually used by people who go camping or walking:
rucksack
8. It is played by two people on a square board, in which each player has 16 pieces that can be moved on the board in different ways:
ski
9. One of a pair of long, flat narrow pieces of wood or plastic that curve up at the front and are fastened to boots so that the wearer can move quickly and easily over snow:
ski
10. It is the model of a person. It is made of snow:
ski
