

I WANNA KNOW WHAT LOVE IS

EX. 1: Number the sentence in the correct order.

- () I better read between the lines
- () In case I need it when I'm older
- () A little time to think things over
- () I've gotta take a little time

Ex 2: Complete using the words in the box.

This _____, I must climb
Feels like a world upon my shoulders
Through the clouds, I see love _____
Keeps me warm as life grows colder

In my life, there's been _____ and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely _____

I wanna know what _____ is
I want you to show me
I wanna feel what love is
I know you can _____ me (hey)

Gotta take a little _____
Little time to look around me
I've got nowhere left to hide
Looks like love has finally found _____

In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely _____ ...

heartache – life – show
shine – life – time – me
love – mountain
