Charlie likes to go for long walks. He often goes to the mountains or the countryside near his home to take pictures of the plants and the animals that he sees. He loves his camera because it was a birthday present from his favourite uncle. Last weekend, Charlie wanted to go to the forest to take some pictures of birds.

In the afternoon, Charlie put his camera in his bag. He took some ham and cheese sandwiches for his lunch. Charlie walked in the forest and looked at the trees. He saw a beautiful yellow bird. Carefully, Charlie took his camera out of his bag and took a great picture.

Then Charlie came to a place in the forest that he didn't know. He was afraid. 'Are there bears in the forest?' he thought. Charlie listened. There was a waterfall near him.
