# "Beat It"

They told him, "Don't you **never / ever** come around here.

Don't **wanna / gonna** see your face. You better disappear."

The fire's in their eyes and their **words / worlds** are really clear

So beat it, just beat it

You better **run / ran** , you better do what you can

Don't wanna see no **blod / blood**, don't be a macho man

You wanna be tough, better do what you can

So beat it, but you wanna be **bad / mad** .

## [Chorus]

Just beat it, beat it, beat it, beat it

No one _____ to be defeated

Showin' how funky strong is your fight

It doesn't _____ who's wrong or right

Just beat it, beat it [4x]

They're out to get you, better **leave / life** while you can

Don't **gonna / wanna** be a boy, you wanna be a man

You wanna stay alive, better do what you **can't / can**

So beat it, just beat it

You have to show them that you're really not scared

You're **playin' / prayin'** with your life, this ain't **not / no** truth or **dear / dare**

They'll **kick / kill** you, then they beat you, then they'll tell you it's fair

So beat it, but you wanna be bad

(Chorus x5)
