

Our firm specializes

the areas of pharmaceuticals and hospital supplies.

I'm responsible

with all the enquiries from clients in our northern region.

Both our roles consist

with each other most of the time.

We work

in furnishings and household design.

I work as

for the company accounting and general finance.

She works in

of leading small teams of people on projects.

They're in

charge of dealing with after-sales and client services.

He deals

a sales assistant for an engineering firm.
