HAVE YOU EVER SONG

Have you ..... underneath the stars?

Have you ever ..... a desert mirage?

Have you ever ..... before the sun?

Have you ..... in the snow with no shoes on?

Have you ever ..... in a freezing sea?

Have you ever ..... up a mountain peak?

Have you ever ..... on a camping trip?

Where did you go and who did you go with?

Have you ever ..... on a protest march?

What was the reason that made you start?

Have you ever ..... a tree?

Have you ever ..... money and how much?

What did you do with it afterwards?

Have you ever ..... through a telescope?

Have you ever ..... a love note?

2x Have you ever, Let's sing the song together
2x Have you ever , Memories to treasure

Have you not ..... for a day?

Have you ever ..... up late for a date?

Have you ever .....? For how long?

Have you ever ..... on stage and which song?

Have you ever ..... in love at first sight?

Have you ever ..... on a motorbike?

Have you ever ..... a deja-vu

Have you ever ..... someone who looked like you?

Have you ever ..... out of a plane?

Have you ever ..... in the candle flame?

Have you ever ..... a celebrity?

Have you ever ..... the sunset over the sea?

Have you ever ..... a ghost?

Have you ever ..... from coast to coast?

Have you ever ..... a poem by heart?

2x Have you ever, Let's sing the song together
2x Have you ever , Memories to treasure
