MY DAY

Read the text about Miklos' day. Choose the correct answer (A, B, C or D) for questions 1-5. Put a cross (x) in the correct box. Only one answer is correct. The first one (0) is an example.

Miklos, 11, lives in a small village in Greece.	
6.00 a.m.	I get up early because my village is far from the school. I have a big breakfast with bread, cheese and fresh fruit.
7.15 a.m.	I catch the bus with my friend Andreas. It takes me an hour to get to school. On the school bus I like listening to music or talking to other children.
8.30 a.m.	School starts. I like all my lessons, but my favourites are PE and Science.
3.30 p.m.	Lessons finish.
4.30 p.m.	I get home, I have a snack and I help my dad with the farm work.
6.00 p.m.	I have a shower and I do my homework.
7.30 p.m.	Dinner with my family. I'm happy: my mum prepares moussaka. Delicious!
