The Mirror

adapted from The Evil Mirror by Hilda Lima

Mr. and Mrs. Rodriguez bought a mirror in an old antique shop. The salesman told them the mirror was haunted, but Mr. Rodriguez was incredulous. At home, Mr. Rodriguez hung the mirror in the library, and he showed it to his sons Charly and Eddie.

Later that day, the boys invited their friend Mario to play at their house. The three boys stood in front of the mirror and made funny faces. Suddenly, a mysterious forest appeared inside. The boys were super curious about the forest inside the mirror. Charly, Eddie, and Mario decided to enter the mirror. The boys walked in the forest until they found a lagoon. The three boys swam happily in the lagoon until three huge crocodiles attacked them! They got out and ran as fast as they could. Creatures with red eyes scared the boys. They ran desperately through the forest until they escaped the mirror and returned home. Finally, back at home, Charly broke the

mirror with a baseball bat. The boys felt relieved, and they kept the secret about the Evil Mirror forever.

Best Friends

Hi, I'm Julie and my best friend is Hanna, we are always together. We are 13 years old and we are in the same class. Hanna lives in the same street as me and we like to walk together. When we have a break in school, we often play games and sometimes we have lunch. We always go home together and talk about our hobbies. When I am doing my homework and I don't understand a question, I often call Hanna for help and we do it together. When we finish our homework we always talk. We never go to sleep without talking.

At the weekends, we usually go to the shopping-mall,

Hanna always wants to go shopping but I sometimes want to go to the cinema. We plan our day together and we never quarrel. On Saturdays, we watch films, we usually eat pizza and rarely eat popcorn.

We like to wear beautiful clothes, jeans and T-shirts, pretty dresses or skirts. When I want to wear jeans, I often ask Hanna to give me her T-shirt because she has got really cool clothes. And I sometimes give her my dresses.

Hanna has an interesting hobby. She likes to take photos. She has got many beautiful pictures and she collects them on her computer.
