**Part III Reading**

**Read about Libby Wilson. Choose T for true or F for false each statement.**

Libby Wilson was born in 1942. She grew up in Boston. Libby's parents had a store, and sometimes Libby worked there. One day, a man named Benjamin Nelson came into the store. He thought Libby was very pretty. And Libby thought Benjamin was handsome. They talked and spent their free time together. And the next month they got married. Libby and Benjamin had two children. Their children grew up, moved away, got married, and had their own children. Now there are 6 grandchildren in the Nelson family!

Benjamin retired last year. And Libby is going to retire this year. But they are not going to relax or do nothing. Oh, no. They have a lot of plans. They are going to go fishing and camping and skiing. They would like to study dancing. And they are going to travel. They would like to visit their children three times a year, too.
