TASK 1

RUNNING CHAMPIONSHIP

Today, there is a running championship in Nusa Bangsa Elementary School. Angga is one of the participants from the sixth grade. He has already prepared all the things to win the championship.

The track is 500 meters. Angga has to run all the way long against 10 other participants. He tries his best to win the championship. In the end, he is the winner. He finished the track in less than 5 minutes.

He feels so tired after running. He feels thirsty too. His friend, Rudi brings a bottle of water for him. They take a rest under a tree in the schoolyard.

State true (T) or false (F) the sentence below based on the text above!
