Hi Joe,

It was great to get your email and hear all your news.

This year we're going to have a holiday (1) Iceland. It looks amazing!

We're going (2) visit Reykjavik – that's the capital. There (3) lots of things to see there, including (4) beautiful church, which you can see from anywhere in the city. I like walking in the mountains and there is a big mountain – Mount Esja – not far from Reykjavik. (5) is only about 900m high, so we will spend a day hiking up it. There will be a great view of (6) city from the top.

I'm really excited about the trip.

See you soon,

Dipak
