Make W. Questions from the paragaph

Alex is a university student. He is 20 years old. He is from Honduras but he lives in Panama. He has 2 brothers Martin and Joel . Alex likes play soccer and read sport magazines in his free time.

Joel lives in Rome. He can do boating and swim very well. Alex would like to study dentestry next semester. Alex can sometimes help young patiens in some teeth problems. He would like to have his won dentist office in Canada in a few years, for this reason he must improve his english level because he also whishes to do a magister in pediatric dentestry. He thinks that he could earn 3.350 dollars per month so with this money he could help his parents to build a new house.
