A have got two children.
B play football.
C twice a week.
D cook a hot meal. It's cold.
E never.

READING. Read this text and tick true or false. (5 x 0.4 = 2 marks)

Juan Cabrera is a farmer. His farm is in Mexico. He works in the fields every day. His son, Tomas, is three years old. Tomas always goes to the fields with his father. Mr Cabrera works and Tomas plays. One day they were in a field and Tomas disappeared. Mr Cabrera looked everywhere but he couldn't find Tomas. The Cabrera farm is near the United Sates- Mexican border. Mr Cabrera thought: 'Maybe Tomas is now in the United States.' The U.S. Border Patrol officers started to look for Tomas in the United States. They were worried because the area near the border is a desert. It is hot in the daytime and cold at night so a small boy can't live long there. One day later, they found Tomas under a small tree. He was cold, hungry and thirsty but he was alive. He was 24 km from his house.

1. The text is about a little boy's adventure.
2- Tomas works with his father.
3- The Cabrera farm is in the United States.
4- The weather in the desert is always very hot.
5- Tomas was very near his house.
