Phonogram ai

1. Read along as you listen to the poem below. How many words in the poem contain the phonogram ai? Draw a line from each of the ai words to their matching picture below the poem.

How many words in the poem contain the phonogram ai? ☐

There once was a maid with a snail

Who paid for a boat with a sail

She got caught in the rain

And lost the boat's chain

But fixed it with paint and a nail

2. Click on each icon below to hear a word. Does the word have the long a sound as in paid or the short a sound as in pad? Tick the correct box.

	long a	short a		long a	short a
