

TRAITOR Olivia Rodrigo

Put the verbs in past simple:

Brown guilty eyes and little white lies
Yeah, I (play) dumb but I always knew
That you'd talk to her, maybe (do) even worse
I (keep) quiet so I could keep you

And ain't it funny
How you (run) to her
The second that we (call) it quits?

And ain't it funny
How you (say) you were friends?
Now it sure as hell don't look like it

Chorus:

Put the verbs in the correct place:

You me
And I know that you'll never feel sorry
For the way I , yeah
You'd talk to her
When we together
..... you at your worst
But that didn't matter

It you two weeks
To go off and date her
Guess you cheat
But you're still a traitor

Loved
were
hurt
didn't
took
betrayed

Choose the correct option:

Now you bring her ground / around
Just to shut me down / round
Show her off like she's a new trophy

And I know if you are / were true
There's no damn way that you
Could fall / fell in love with somebody that quickly

Ain't it funny
All the twisted games / names
All the questions you use / used to avoid?

Ain't it funny?
Remember I brought / bring her up
And you told / tell me I was paranoid

Chorus:

Join the lines:

God, I wish that	and fell in love with you
Before I went	forget about the way
When she's sleeping	you had thought this through
Don't you dare	in the bed we made

Chorus: You're still a traitor (ah-ah-ah) Yeah, you're still a traitor
God, I wish that you had (think) this through
Before I (go) and (fall) in love with you
