

# Our Circulatory System

1. Video. Video.

[¡Puedes ver el video en español aquí!](#)

2. Match. Unir:

dictionary / diccionario

|        |         |
|--------|---------|
| heart  | vena    |
| beat   | arteria |
| blood  | a       |
| vein   | sangre  |
| artery | latir   |
| to     | de      |
| from   | corazón |

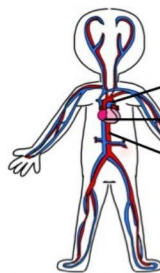

3. Drag and Drop. Arrastrar y Soltar.

arteries

heart

blood

veins

The  beats and sends  to your body.  
The  (blue) carry blood FROM your organs TO the heart.  
The  (red) carry blood FROM your heart to your organs.

4. Experiment (optional). Experimento (opcional).

## Materials:

jar (bote)  
water (agua)  
2 balloons (globos)  
scissors (tijeras)  
2 straws (pajitas)  
2 rubber bands (banditas elásticas)  
tape (cinta adhesiva)

The jar is like your heart, and, when you push on the balloon, it is "beating."

El bote funciona como el corazón y, cuando presiones en el globo, está "latiendo".

The straws are like your veins and arteries, carrying the blood.

Las pajitas funcionan como la vena y la arterias, llevando la sangre.
