

*Listen to the big speaker and match the small one to the picture*

The worksheet contains 18 small black speakers arranged in a grid. Surrounding the speakers are 18 small rectangular images of various animals, including a cat, chickens, a dog, a cow, a rabbit, a duck, a sheep, a horse, a pig, a rabbit, a parrot, an elephant, a lion, a snake, a crocodile, a fish, and a tiger. The task is to match the sound from the large speaker to the correct animal picture.
