

Let's go to the store

			
book	pencil	sharpener	eraser
\$5.00	\$4.00	\$1.00	\$2.00

What is my total if I buy:

- A) one book and one pencil - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- B) one book and a sharpener - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- C) a pencil and a sharpener - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- D) two pencils - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- E) a sharpener and two erasers -
 $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- F) three books - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
- G) four erasers - $\$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} + \$ \underline{\hspace{2cm}} = \$ \underline{\hspace{2cm}}$
