

Let's go to the store

			
book	pencil	sharpener	eraser
\$5.00	\$4.00	\$1.00	\$2.00

What is my total if I buy:

A) one book and one pencil - \$___ + \$___ = \$___

B) one book and a sharpener - \$___ + \$___ = \$___

C) a pencil and a sharpener - \$___ + \$___ = \$___

D) two pencils - \$___ + \$___ = \$___

E) a sharpener and two erasers -

$$\text{\$} ___ + \text{\$} ___ + \text{\$} ___ = \text{\$} ___$$

F) three books - \$___ + \$___ + \$___ = \$___

G) four erasers - \$___ + \$___ + \$___ + \$___ = \$___
