Nowadays people are increasingly aware that wildlife all over the world is in danger. Many species of animals are threatened, and can easily (1)_____ extinct if we do not make an effort to protect them. There are many reasons for this. In some cases, animals are hunted for their fur or for other (2)_____ parts of their bodies. Some birds such as parrots are caught alive and sold as pets. For many animals and birds, the problem is that their habitat – the place (3)_____ they live – is disappearing. More land is used for farms, houses or industry, and there are fewer open (4)_____ than there once were. Farmers use powerful chemicals to help them to grow better crops, but these chemicals pollute the environment and harm wildlife. The most successful animals on earth – human beings – will soon be the only ones that (5)_____ unless we can solve this problem.
