I wanna know what love is

I gotta take a little .....
A little time to think things over
I better read ..... the lines
In case I ..... it when I'm older

Now, this mountain I must climb
..... like the world upon my shoulders
Through the ....., I see love shine
It keeps me ..... as life grows colder

CHORUS:

In my .....
There's been heartache and pain
I ..... know
If I can face it again
Can't ..... now
I've travelled so far
To change this ..... life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I'm gonna take a little time
A little time to ..... around me
I've got nowhere left ..... hide
It looks like love has finally found .....

CHORUS

Let's talk about love
(I wanna know what love is)
The love that you feel inside
(I want you to show me)
I'm feeling so much love
(I wanna feel what love is)
No, you just cannot hide
(I know you can show me)

CHORUS

Show me love is real, yeah, yeah

life
me
time
to
don't
clouds
between
look
feels
warm
lonely
need
stop
