Sequencing

Sequencing is putting things in order from first to last.

1. Place these sentences in the order in which they happened.

Bear decided never to share the field with Fox again.

The next year, Fox had the turnips and Bear had only the tops.

The first year, Fox had the corn and Bear had only the roots.

Fox and Bear decided to share the crops in the field.

2. Place these sentences in the order in which they happened.

Finally, the Mother Crab saw that she had been foolish to tell her son to walk straight.

Then the Mother Crab tried and tried, but she could not walk straight forward.

The Mother Crab told her son that he should walk straight forward.

So the Young Crab asked his mother to show him how to walk straight forward.
